

St Mary's VC Academy

SCHOOL UNIFORM POLICY

Many thanks for the efforts you make in supporting your child at school, we know this takes a great deal of time, effort and resources to make sure your child is fully equipped! The following list will help your child to participate fully in their educational activities.

School Uniform

We have a simple uniform that can be bought at most clothing shops and sweatshirts / polo shirts bearing the school logo can be purchased at School Wear. School Wear provide an online ordering service.

- Royal blue polo style shirt (logo)
- Royal blue sweatshirt/cardigan (logo)
Grey school trousers / shorts (*trousers must be of a smart material no jewellery or fashion cut*).
- Grey skirt
- Sensible shoes
- Blue and white checked dress for summer.
- **We request children do not wear jewellery, nail varnish or visible transfers/tattoo**
*We recommend that earrings are **not worn** at school, if there are circumstances where earrings are worn, they must be small studs.*
- *Earrings must be removed or taped for PE and Sport activities*

PE

- White T-shirt / polo shirt
- Navy blue shorts / skirt
- Black plimsolls for indoors, trainers, football boots and shin pads (depending on activities) for outdoors
- Optional track suit for cold weather over P.E. kit – dark colour preferable
*For health and safety reasons **earrings must be removed for PE.***

It is important that your child's PE clothes should always be available and kept in a soft-sided bag suitable for hanging on a coat peg, as space is limited. Please make sure all items are clearly marked with your child's name. Children can get their clothes mislaid and it helps to relocate items to the correct owner.

Weather

Children should be provided with sensible clothing appropriate for the weather. In hot weather we suggest your child has a sun hat/cap. In cold weather your child should be wrapped up in warm clothing and be provided with a pair of wellingtons if conditions dictate.

We aim to maintain a high level of safety and cleanliness during all activities helping us to comply with the Health and Safety Policy.

If you have any problems in providing these items or need further clarification please contact the school.

Date for review : Autumn 2024
