

## Statements to Live By Spring Term

### Statements to live by....

Dear Parents and Carers,

During the Spring term the children will be working together to...

*'Experience a sense of belonging within a range of communities, including the local Eucharistic Community, and play an active role as members of society'*

Please take the opportunity to discuss with your child at home and support them as they learn about....

- I try to love others as I love myself
- I try to follow our school and classroom rules
- I know I belong in a community that includes my school
- I know we are happiest when we are united

*What are the rules and expectations of our family at home?*

*'To know that everything has the capacity to reveal God's presence and in the light of this develop effective and satisfying relationships'*

Please take the opportunity to discuss with your child at home and support them as they learn about....

- I listen to what you say. I show that I am listening to you
- I co-operate with others in work and play
- I try to use words that make the world a better place
- I try to appreciate the beauty and wonder in the world around me

*Which words can we use at home that make the world a better place?*

*'Know that limitations are also opportunities for growth and make the most of our abilities'*

Please take the opportunity to discuss with your child at home and support them as they learn about....

- I know that it is OK for me to make mistakes
- I can learn from my mistakes and failures
- I try to keep going when things are difficult and not give up hope
- I know what humility means

*Can we think of something that we have each found a struggle to do?*
